TO THE TRADE

In presenting this Catalogue showing designs of our large and varied stock, we feel that it will facilitate a greater convenience to our patrons in placing their requirements before us, and aid us in a better efficiency in executing the orders that we may be favored with.

When ordering, it will only be necessary to mention the number of the moulding or article, and the kind of wood.

The selections that can be made from our large stock, places us in a leading position as a dependable source of supply.

We invite a careful perusal of this catalogue, confident that it will reveal to the reader an advantage when seeking anything in our line.

We thank you for the support given us in the past and solicit your continued favors.
